Council**

*“Come Explore the Expanding Universe
of Niagara College with us.”*

DON'T WATCH OTHERS DO IT!!

Niagara College is your college for the next couple of years. It's your turn to get involved. The college day does not end at 4:30 and Friday is not the end of the week.

Niagara College is full of life, stimulating, provocative, free flowing, relaxing, and exciting to be around. You can make this place exactly what you want it to be. You can give it rhythm and you can make it die. Get involved, turn people on to the clubs, to sports, to rallies, to the films, to the people. Generate spirit at Niagara, its all you want it to be. Let things happen here, don't wait for them to happen. Put yourself into Niagara, don't watch as others do it.

Niagara College is a unique place, it has a lot of potential for growth -- you have the ideas and mobility to carry it on to better things. Support your college, and let yourself experience college life to fullness. Be sincere about what you put into Niagara, it will only make us all a little bit greater.

S.A.C.

S.A.C. PRESIDENT

Jim Walters

The President shall be the chief executive officer of the Student Administrative Council. He shall, if present, preside at the meetings of the Student Administrative Council and the Board of Directors. He shall sign all instruments which require his signature and shall perform all duties incident to his office. He shall see that all orders and resolutions of the Board of Directors are carried out. He shall sign all deeds or other formal documents. He shall sign all chequés, drafts, notes and orders for the payment of money. He shall perform all other duties as are usually incident to the office of President of the Student Administrative Council or are required of him by the members of the Board of Directors.

EXECUTIVE VICE-PRESIDENT

Ken Wegelin

The Executive Vice-President shall serve as the second executive officer; he shall be vested with all the powers and shall perform all the duties of the President in the absence or disability or refusal to act of the President. He shall also have such other powers and duties, if any, as may from time to time be assigned to him by the Board of Directors; he shall succeed the President in the event that the office of President becomes vacant during the term; he shall be an ex-officio member of Commissions, Committees and Directorates.

VICE-PRESIDENT -- FINANCE [TREASURER]

Mark Anderson

The Treasurer shall have the care and custody of all the funds and securities of the Student Administrative Council and shall deposit the same in the name of the Student Administrative Council in such bank or banks or with such depositary or depositaries as the Board of Directors may direct. He shall keep or cause to be kept the books of account of the Student Administrative Council. He shall prepare the annual budget for student activities and submit the same to the Board of Directors for approval and if approved, submit the budget to the Board of Governors and Administrators of the College. He should generally oversee the expenditure of all funds and be in charge of all financing.

VICE-PRESIDENT FOR INTERNAL AFFAIRS

Toz Blackadder

The Vice-President for Internal Affairs shall be responsible for such duties as are allocated to him from time to time by the Board of Directors, paying particular attention to communications and the creation of goodwill within the College.

VICE-PRES. EXTERNAL AFFAIRS

Norm Perreault

Responsible for communications and the creation of goodwill between the College and the general community and other educational institutions.

VICE-PRESIDENT ATHLETICS

John Balenovich

The Vice-President for Athletics shall be responsible for such sports activities within the College as are allocated to him from time to time by the Board of Directors.

CLUB CONVENOR

Joanne Wilcox

Responsible for co-ordinating and controlling the activities of various clubs and establishing new clubs. She must see that the needs of any club are brought to the attention of S.A.C.

NIAGARA OFFERS THE BEST

PRESIDENT'S MESSAGE

On behalf of the faculty and staff, I would like to welcome all new and returning students to Niagara College in its eleventh year of operation. This is my first year as President and for many of you this will be your first year as a post-secondary student. Building upon the excellent foundation on which this college has been built, it is my intention that all of us will work together to make your learning experience at Niagara College positive, profitable and productive.

Learning is always hard work. I cannot promise that your task will be an easy one. As the requirements of business and industry continue to shift, so our demands on you will increase. But nothing valuable has been gained without the benefit of commitment and sincere effort. We are all here to help you achieve your goals and make your dreams become a reality. It will be up to you, however, to set your own standards of excellence. Exercise your ability to choose your own direction. Since the mastery of any art comes only with long practice, do not give up trying to do the best you can.

As President, I am interested in each of you as an individual--in your program successes and difficulties-- and shall do everything possible to ensure that your time with us is worthwhile and rewarding. Sincere wishes for a successful, enjoyable and exciting school year.

Jacqueline P. Robarts.
President

Niagara College has tried to create an environment where you can acquire both the skills to ensure a productive vocational life and programs and services to assist in your personal growth and development. To reflect this, all areas of student services such as counselling, placement, health, awards and athletics have an open door policy and welcome your participation. We believe your stay with us will be a much richer experience if you involve us in helping you achieve your personal goals.

Get involved at Niagara College! It is not only your right, but your responsibility to support student activities and to know what services are available to you. Students are represented on many College Committees and a student representative also attends meetings of the Board of Governors.

We look forward to working with you in the coming academic year and wish you every possible success.

A.S. Aboud
Director of Student Services

RECREATION

Looked in the mirror lately? Notice the sag on the left side and feel the ache on the right. You say you're limping because you strained your ankle picking up your car keys. And ya yawn every second word cause you only had 12 hours sleep last night. . .get up get dressed, get down to the gym and get those sneakers movin down that hardwood court. . .you say you're clothes don't fit the same as they used to, and it seems when you bend a certain way you keep hearing little tears. And you say on the first flight of stairs smoking that 2nd pack of cigarettes today you think its the french fries that are weighing you down. You say sports are fun to watch as you pull your back muscle picking up the next beer. .and you say friend, you're in perfect shape. . .relax and recreate. . .recreate your entire system and relax. Visit the gym in the Mackenzie Bldg.

USE NIAGARA - IT WILL ENJOY YOU

Peter L. Rylander

Fred Bassi

Peter Rylander and Fred Bassi head-up the Athletic Department at Niagara. They not only supervise all sports activities but also coach most of the varsity teams.

Pete and Fred work in 3 areas: varsity, intramural, and recreation. First, in varsity sports, Niagara is a member of the Ontario Colleges Athletic Association incorporating colleges across Ontario and Quebec. Anyone who is interested in playing must be a full time student and have paid their activity fee. Varsity sports include: tennis, golf, badminton, ice hockey and volleyball, basketball and curling.

Secondly, intramural sports. These are run on a competitive basis with teams (form your own team) including floor hockey, basketball, badminton, ice hockey and volleyball. This year Peter and Fred would like to introduce co-ed softball, European Handball and touch football. Competition may be extended to include George Brown College and Mohawk College.

Thirdly is recreation. The main purpose here is to provide the student with opportunities in leisure and sport enjoyment. An athletic banquet held annually gives awards to the most valuable players in varsity action as well as overall intramural team winners.

Finally, go and talk to Pete and Fred over by the gym for more info, and don't forget your adidas, or call extension 267 or 266.

BASKETBALL

You don't need to be 6'7" and an All-Canadian, just have a little court sense and a lot of will and determination. Try out for a spot on the team. Men's and ladies varsity practices are three times a week. The season starts in October and ends in March. See Peter Rylander in his office or call extension 267 if you are interested in playing basketball for Niagara College.

GOLF AND TENNIS

Offered early in September, it is best to see what is happening then or the season might be over by the time you get there. Golf is played off campus while outdoor tennis courts are available here. See Pete for golf and Fred for tennis.

HOCKEY

Our boys are tough and fast hockey players, and the more players we have like these, the more games we'll be closer to the championships. Practices are once a week, while the season lasts around November to March. Last year we had a good team. Help make this years team great. Try out by seeing Fred Bassi.

CLUBS

Aside from sports activities, Niagara offers over a dozen clubs and societies that each student can get into. All of these clubs are subsidized and sponsored by the Student Council and aside from specific clubs (Hort., Theatre Arts - where course students are mainly members), any Niagara student may join and get things happening. This year, many executive positions are open such as Ski Club, Yearbook, Photography etc., and they all need students to fill them. Get out and see what you can do. Whether you're interests lie with film festivals, skiing in Quebec or with publicizing basketball games and pub nights, there should be something for you. Meet people, have fun, learn different things. Check it out in the SAC office, Ext. 323.

SKI CLUB

I.E.E.E.

**SOCIETY OF MANUFACTURING
ENGINEERS**

MANY MORE

RESOURCE CENTRE

Also located on the Main Campus. In olden days this place was better known as the Library. 20th century Technology and Communications has made the Resource Centre a place to soak in stuff that you don't already know via extensive selections of albums, audio-visual media, tapes, cassettes, films (35 mm., 8 mm.m and super 8 mm.) books, periodicals, and the daily newspapers. Individual cubicles are available with typewriters for study. Peaceful, serene, and quiet, and lotsa room. Located in the Tecumseh Centre (off the Simcoe Bldg.), from 8:30 a.m. to 9:30 p.m.

CKNC

Almost everywhere you walk on campus, you'll hear the sounds of Niagara's Radio Station CKNC. Run and produced by the radio course students at Niagara, you'll hear everything from weather to blues. If you'd like to hear a certain song, phone up and you just might hear it. Selling your car, place an ad with CKNC, it's free. Possibly the best places to relax and let the music soothe into your soul are the lounges found in all of the campus buildings. Food and music are great together too, head for the cafeteria, plenty of sound there. CKNC extension is 300.

NIAGARA NEWS

Niagara News is a student written newspaper produced by journalism students at Niagara College. After final copy and layout is done, Niagara News is used as a workshop for practical learning by Graphic students, who do the printing in the Black Walnut Bldg. Published twice monthly, Niagara News offers information on campus events, SAC, sports and club activities. Located in the Simcoe Building, 2nd floor, any info on campus life can be sent there for publication. Although submitted articles are limited to journalism students, Niagara students can submit editorials, and also letters to the Editor. Niagara News issues are available in all lounges and on stands located throughout the campus. Call extension 322 for more info.

CLOSED CIRCUIT TELEVISION

Niagara's closed circuit television airs College produced programs periodically throughout the year. Any special events that have been video-taped can be seen by contacting the Radio-T.V. technicians at extension 302.

SERVICES AT NIAGARA BOOKSTORE

Main campus bookstore. Books and supplies are available for all schools and courses, from drafting paper to paper backs to gym clothes. Open from 8:30 a.m. to 4:30 p.m. Monday to Friday during regular college terms. College paraphernalia also available: mugs, ashtrays, decals, charms, t-shirts, sweatsuits and jackets. Call ext. 317.

COUNSELLING

On the main campus. Hours are 8:30 a.m. to 4:30 p.m. Tapes, video-tapes, bio-feedback, equipment, 5 counsellors on hand to assist in course hangups, personal difficulties, learning study skill techniques, or if you're just browsing, stop in for a visit. Call ext. 211 for more info.

\$TUDENT AWARD\$

Also on the main campus and located in the same area as counselling. Hours are 8:30 a.m. to 4:30 p.m. If you are in need of financial assistance see Mrs. Patterson regarding both the Government Loans and the College Student Loan Fund.

PLACEMENT

Ken Anderson's office is also located in the counselling area. Hours are 8:30 a.m. to 4:30 p.m. If a job is what you want, either full-time or part-time see your helpful placement officer.

CAFETERIA

Open 8:30 to 4:30 p.m. Hot meals served from 11:30 to 2:30 in the afternoon. (the meals are even better this year) Hamburgers, french fries, homemade soup, and delicious desserts and pastries are served every day. Cold foods in the machines, as well, pop, coffee, sweet stuff and cigarettes. C K N C broadcasts here. Located in the Black Walnut Building. Round tables are provided for students who wish to play cards.

PARKING

Student parking located in specific area, see map. If illegally parked and found, the ticket will cost you 3 bucks. The ticket man (by-law officer) gives tickets out with sweet mercy. He gives them out at basketball games (Saturdays) and at Pub Nites (in the evening, this guy never rests), so park only in designated areas. Also do not park in maintenance vehicle areas, in front of the cafeteria, or on the white line.

BITS AND PIECES

Lockers:

Almost every hallway in all buildings on campus. Buy locks at the bookstore (inexpensive) and claim a locker.

Pinball Machines:

For pleasure and entertainment. Located in the cafeteria, and in the lounge in Mackenzie. Portion of the proceeds go to SAC - so enjoy yourself.

Lounges:

Tired, sleepy, or just relaxing, lounges with aired C K N C music are located in all campus buildings. (Black Walnut exempt). Good meeting places. Also, alongside most lounges are coffee, pop, and donut machines for a quick snack.

Health Centre:

Doctor Alexander is available each Wednesday morning for students. Call extension 408. College nurse, Mrs. M. Kerr is here every college day from 9:00 to 4:30 p.m. for cuts, bruises, and stomach aches. Call extension 215. See the health centre for information on your OHIP insurance or you could get stuck with crazy hospital bills.

Buses:

Welland Transit operates Monday through Saturday and provides transit service throughout the City of Welland. Student fare is 15¢ and the exact cash is required. Contact the main office for further info on the route schedule and a route map.

Car Pool:

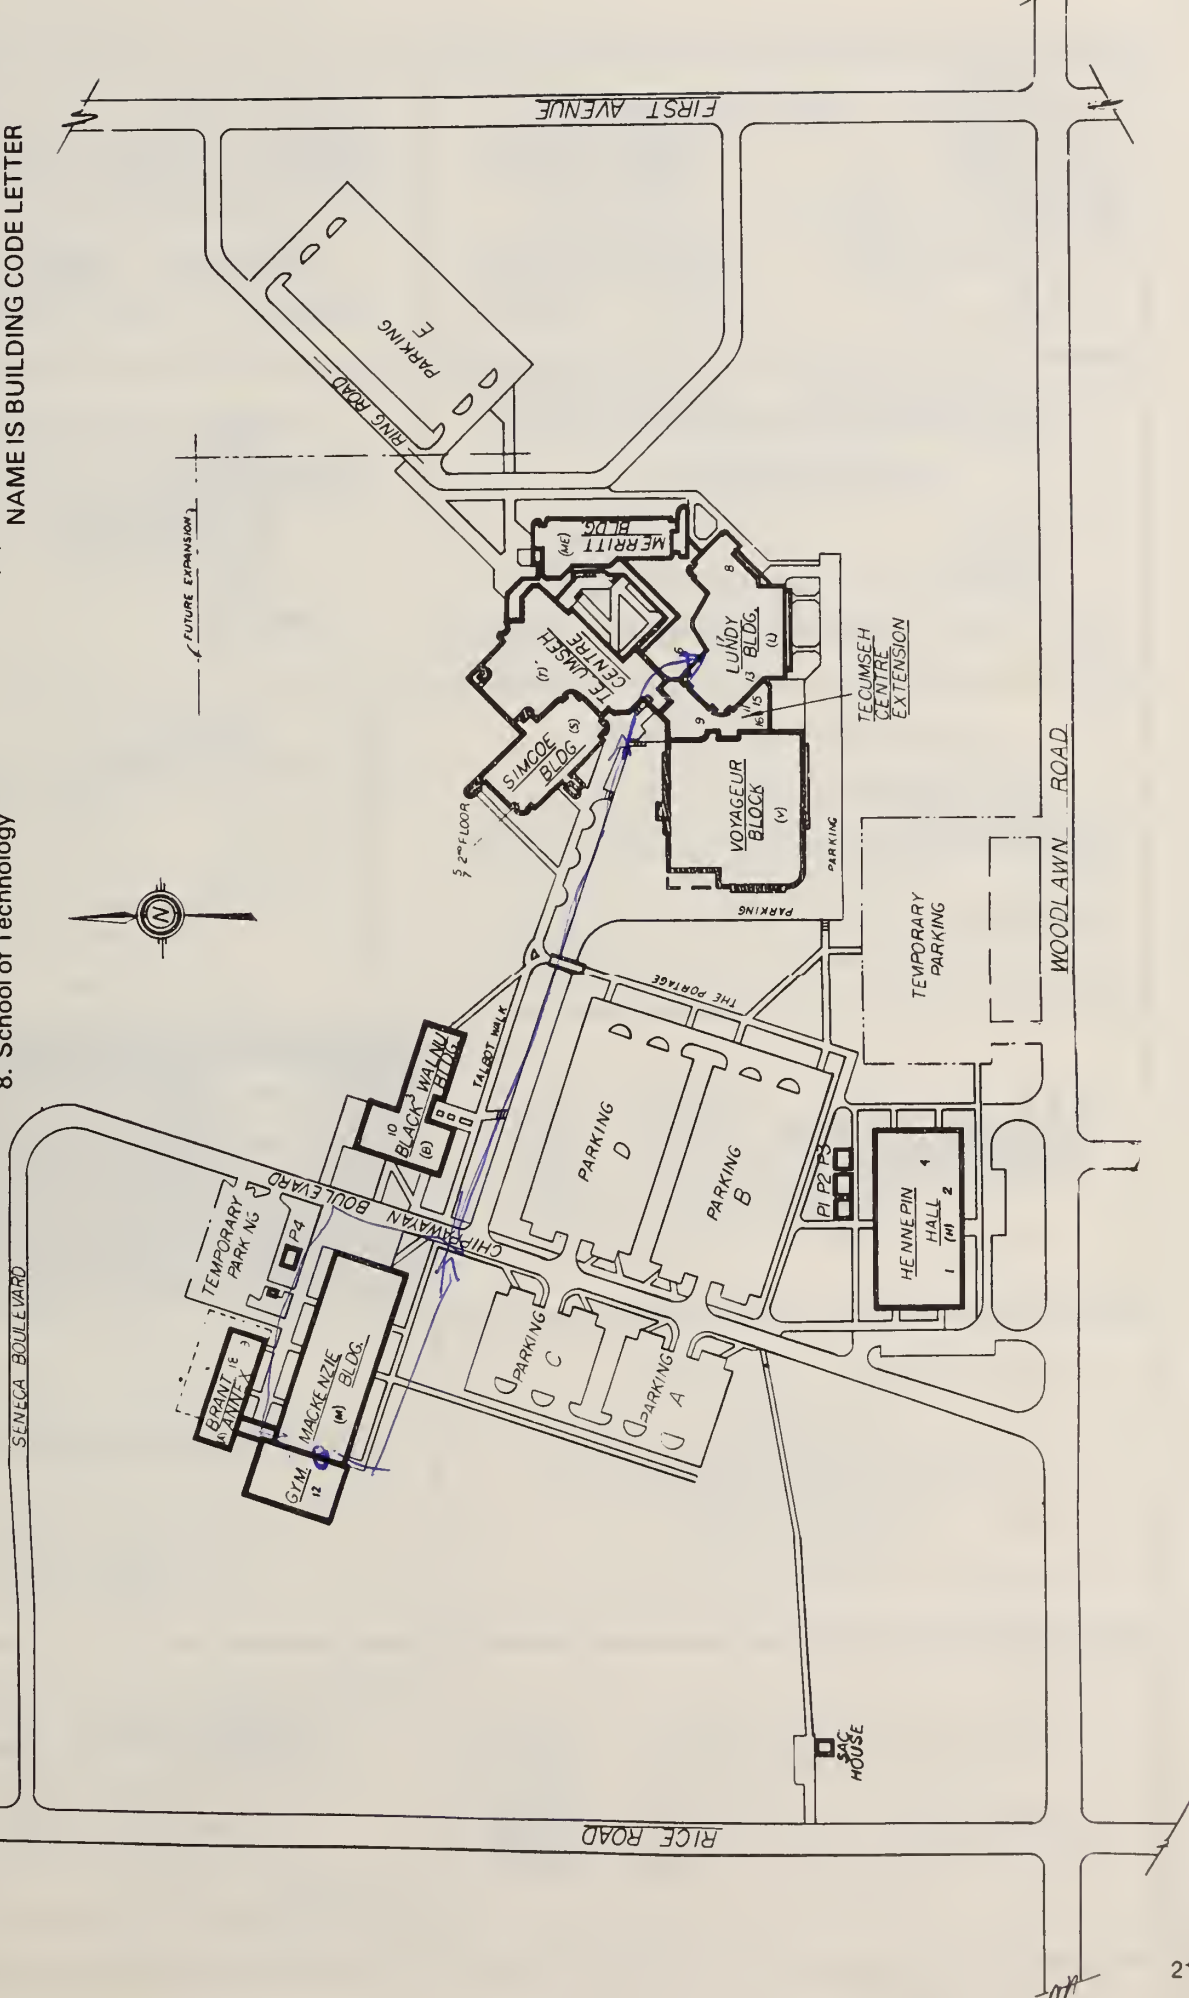

Do you need a ride to and from school? Do you own a car that drives from St. Catharines, Niagara Falls, or Port Colborne with no passengers everyday of the school week? Contact Mr., Aboud's office (ext. 279) for further info on how to get a ride to school.
